

# UTAH HUNTER SAFETY CLASS

Anyone who desires to hunt in Utah is required to take Hunter Safety. This class is free. When you register, you must commit to all classes starting on January 16th. Also, you must obtain Hunter Education Registration Certificate and bring it with you to the first class. Information on how to get the certificate will be given to you when you register. Participants are expected to arrive at 5:50 pm. Class will begin at 6 pm SHARP. Interpreters will be provided. The manual will be made available to you in early January. Please read your manual prior to attending this class. There will be an optional pre-class study group on January 10th from 6 pm - 9 pm to help everyone participating to become familiar with the manual before the actual classes begin. This is highly encouraged! For Shooting Range Day on January 31st, we will provide transportation to Lee Kay Shooting Center.
